

Logan Care and Rehabilitation is

celebrating providing more than 37 years of compassionate care to every resident and patient. Our dedicated care team is committed to providing a family-like environment you can call home.

Residents enjoy spacious private rooms and expansive public areas, as well as Wi-Fi, flat screen televisions, cable, and telephones. We offer regular social activities and events, including wellness and lifestyle options, exercise classes, and biweekly trips.

Our professional staff is committed to assisting each resident in meeting their social, physical, and psychological goals. Whether you're here for short- or long-term care, or using the rehabilitation services in our state-of-the art skilled rehab center, we will give you all the comforts of home with none of the worry.

Short-Term Care

Trauma. Disease. Stroke. Surgery. Chronic condition. These events occur, sometimes impairing mobility, functionality or cognitive abilities. Often, rehabilitation is the only way to achieve renewed independence and improved quality of life.

Our goal is to help every patient achieve the highest level of recovery possible. Our staff of veteran providers have served the needs of our elderly for decades. Use Logan's family of staff to help you achieve your rehabilitation goals as well.

Our short-term rehabilitation services include:

- Occupational Therapy
- Orthopedic Therapy
- Post-Surgical Rehabilitation
- Cardiac Rehabilitation
- Neuro-Muscular Therapy
- Pulmonary Rehabilitation
- Respiratory Therapy
- Physical Therapy
- Speech Therapy
- Stroke Rehabilitation
- IV Therapy
- Wound Care
- Transitional Care
