AN EMBASSY HEALTHCARE COMMUNITY

Seasons Nursing and Rehabilitation Center serves adults of all ages with a wide range of skilled nursing, behavioral, physical, occupational & speech therapies, as well as those with traumatic brain injuries or Multiple Sclerosis. Our clinical team specializes in IV and wound care, as well as post-hospital recovery. Let Seasons be the bridge between hospital and home for comfort, medical support and the daily care needed to recover quickly with an improved quality of life.

available at each location.**

think results

"They encouraged me, but weren't too pushy. They would knock on the door every day and gently persuade me to go to rehab. Without a doubt, I will be back at the center after my next knee replacement."

- Melinda J. / Cleveland, Ohio

### Located throughout Ohio, Embassy Healthcare provides the services that matter to you.

The clinical capabilities at our skilled nursing centers range from respiratory services — including ventilator care at some locations — to specialized, diagnosis-specific programs.

We provide physical, occupational and speech therapy. We've also introduced Embassy Therapy and work with other experienced providers to deliver personalized rehabilitation plans.

And our assisted living centers and adult day care assure a continuum of care for patients and residents.

Embassy Healthcare has been providing quality care since 1998. We focus on outcomes, so our services get results and allow you to go home faster.
