AN EMBASSY HEALTHCARE COMMUNITY

*Diverse personal care, tailored just for you.*

*Shelbourne Personal Care* is small enough to offer personalized attention to each resident and employee, yet large enough to implement the latest care resources, programs and safety protocols.

**Seniors sometimes need a little extra care or assistance to help them live safely on their own, and we understand that.** We offer personal care services, such as help with bathing and dressing, transportation to and from meals and activities, and medication management. Our personalized care service is designed to help our residents maintain their health and dignity so they can live as independently as possible.

We strive to meet all the daily needs of our personal care residents. Our home-like atmosphere provides intermediate care for those individuals who cannot safely live on their own.

Services include:

- Medication management
- Diabetic medication management
- Activities of daily living
- Bathing assistance
- Transport to and from meals and activities
- Additional customizable care services available to meet your loved one's needs

Other personal care services include:

- Physical, occupational, and speech therapies
- Wound care
- Blood pressure management
- Dietary accommodations
- 24-hour staff availability
- Beauty salon/barbershop
- Entertainment programs
- Pet therapy
- Exercise programs
- Music therapy
- Housekeeping and laundry

You'll have the freedom to participate in life-enriching activities like community engagement and exercise programs in a secure residential setting. Our highly expert team is available 24/7, and boasts decades of combined experience.
