Embassy of Valley View

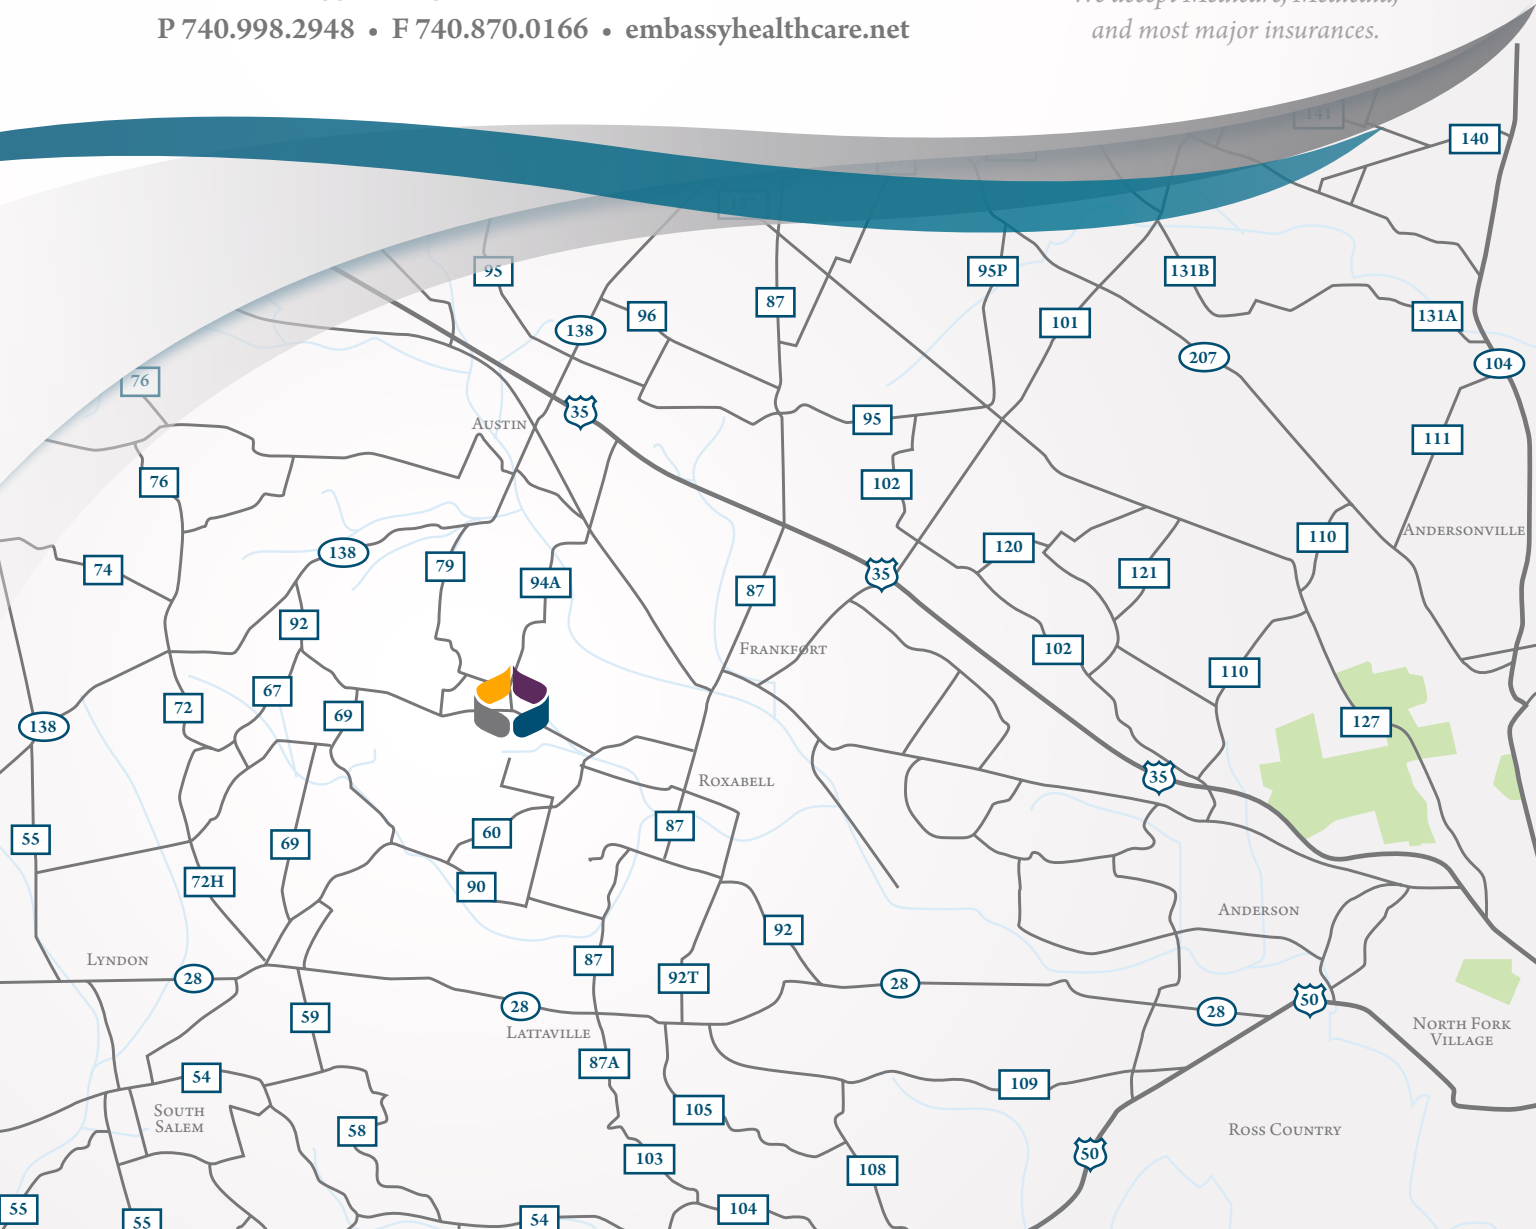

AN EMBASSY HEALTHCARE COMMUNITY

Diverse care solutions, tailored just for you.

Embassy of Valley View is a 50-bed specialized facility that meets the unique needs of individuals with Alzheimer's and related disorders. Our professional staff has specific training to conduct specialized programs designed to meet each resident's needs in a supportive environment.

We strive to meet each individual's needs with sensitivity, dignity and respect while encourage them to reach their personal best each day. A care plan conference between staff, the resident and family allows us to create an individually designed care plan specifically tailored to the resident's needs.

We have created an understanding and supportive environment to enrich and maximize the quality of life for our residents. We are dedicated to ensuring that our residents benefit from the most current nursing techniques, friendly surroundings and comfortable amenities.

We specialize in all forms of dementia and individualized care for residents with memory conditions. We provide transitional and full-time memory care.

Our staff is onsite 24 hours a day to assist and support our residents. We provide encouragement and reminders for daily activities and engagement.

Our programs and services include:

- Memory care
- Short-term nursing care
- Long-term care
- Outpatient therapy
- Respite stays
- Dietician services
- Wound care
- Contracted hospice care
- Transportation

We partner with our local communities, hospitals and healthcare professionals to collaborate on innovative care programs for our residents.

We also are proud to maintain an experienced, professional staff due to our unique culture of care and respect. Employees are proud to say that they are part of our healthcare family, and know that there is a strong support structure in the organization that allows them to confidently do their jobs.
