*Solon Pointe Nursing and Rehabilitation is located amongst the lush greenery of scenic Solon, Ohio, off Emerald Ridge Parkway and puts our residents near health care centers, businesses, and other community amenities.*

**Solon Pointe**

AN EMBASSY HEALTHCARE COMMUNITY

*Silver Meadows: Advanced Dementia Care*

*Solon Pointe's* Advanced Dementia unit, *Silver Meadows* provides loved ones living with functional and cognitive capabilities to move freely throughout a safe, home-like atmosphere. Our dedicated caregivers work under expert medical direction to address the needs of our patients, helping to mitigate the effects of Alzheimer's and dementia.

**In our safe and secure dementia center, our specially trained team of Certified Dementia Specialists will help your loved one to reach the highest level of independence possible.**

Our *Silver Meadows'* Advanced Dementia unit offers all private rooms that are furnished with the comforts of home, while residents are welcome to decorate their spaces as they like with personal items.

*Silver Meadows* features:

- 24/7 direct care on a secured unit
- Staff are specially trained and certified in dementia care
- State-of-the-art safety features
- Safe and stimulating environment
- Dedicated nursing and activity staff
- Services focused on each individual
- Activities tailored to each individual's needs
- Beautiful secured courtyard
- Psychiatry and counseling services

Our Specialty Plus program provides care to individuals with:

- Alzheimer's disease
- Normal pressure hydrocephalus
- Dementia
- Parkinson's disease
- Frontal temporal dementia
- Vascular dementia
- Dementia with behavioral disturbances

In our activities room, we host a variety of fun events, including art classes, religious services, exercise classes, bingo, and movie nights. We also arrange outings for shopping and community events.

Residents are served three chef-prepared meals daily, and there are snacks available 24-hours a day.
