Regent of Lyndhurst

AN EMBASSY HEALTHCARE ASSISTED LIVING COMMUNITY

An Affordable Luxury Lifestyle: You Deserve It!

Regent of Lyndhurst is small enough to offer personalized attention to each resident and employee, yet large enough to implement the latest care resources, programs and safety protocols.

Seniors sometimes need a little extra care or assistance to help them live safely on their own, and we understand that. Our personalized care services are designed to help our residents maintain their health and dignity so they can live as independently as possible. We offer both Private and Companion Suites with natural lighting, private bathrooms, and emergency response system in each suite.

Our services include:

- 24-Hour Staffing
- Medication Management
- On Site PT/OT/SLP Therapy
- Audiology and Podiatry Services
- Concierge Services
- Housekeeping and Personal Laundry Services Available
- Dry Cleaning Services Available
- Mobility and Strength Training
- Transportation Services
- 24-Hour Security

Our assisted living community is proud to offer the following amenities:

- Fitness and Wellness Groups
- Wellness Center
- Culinary Cuisine
- Private Dining Room
- Spacious Lounge Areas
- Laundry Room
- Salon and Spa
- Library Book Exchange
- Social and Recreational Program Activities

You'll have the freedom to participate in life-enriching activities like community engagement and exercise programs in a secure residential setting. **For more information or to schedule a tour, please contact us today.**
