Grandparents Day: September 12

Grandparents are extraordinary people! They have lived many years, and have stories to tell that could expand our horizons. **Make an effort to go out of your way this Grandparents Day and get to know each other via in-person visit, text message, video chat or social media!** But don't forget everyone loves to get mail, so get creative and write a letter or create your very own card craft to brighten their day. You'll never regret the time and effort you put into spending quality time with your grandparents.

A Letter from the Administrator

To our Families and Residents –

We are so thankful for all of you, and are truly blessed that you have chosen our facility and staff to provide care to you or your loved one. We hope you enjoy the newsletter and the activities that we have chosen to highlight for the month. We have been having a lot of fun here and hope that the smiles on our residents faces bring as much joy to you as they do to us!

Sincerely,

– Shannon Rowles, LNHA
